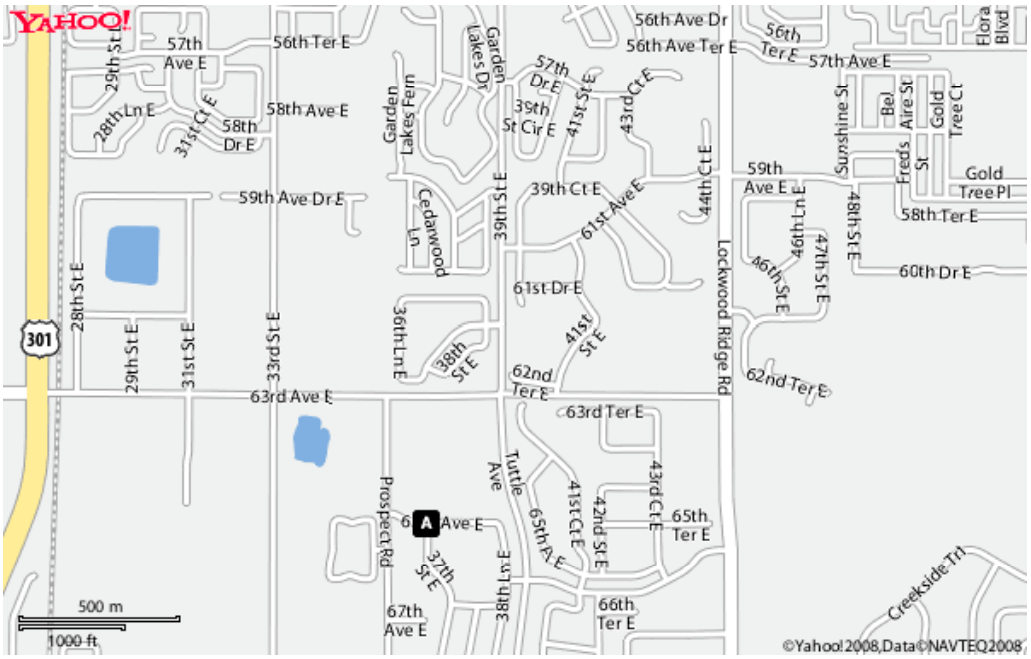
Jan 21st Shop Meeting!

There were 14 at the shop meet held at John Slezak's shop tonight. We had a great time together. What a great time of fellowship, sharing project stories, snooping through John's tools and eating lots of great food. Everyone has to admit this is one of the most favorite meets of the month. Come join us.


Our next meeting will be at Todd Estabrook's on Feb 25th. His address is 611 37th.St E., Sarasota.
