
FEBRUARY PRESIDENT'S MESSAGE

Thanks to Susan for covering our January meeting for me. I understand she did a great job and we had a good turn-out. Thanks to Daryl for his presentation on turning and building pens. The president from the Tampa club was present and very impressed.

If you have not paid your dues for 2012, please do so as soon as possible, to date we only have 32 members signed up.

The February meeting is our tool auction. This is a good time to add to your tool collection or dispose of those unneeded tools. Please mark the items you bring in for auction with your name. This is a big help to the auctioneer and the recorder.

The Board met on Feb. 2. The budget was approved, and that insurance and incorporation was updated. We also discussed the need for more members to help with activities in the club. If more people help, it lightens the load on everyone. We need someone to take over the Library (DVD Tapes). We are consolidating the DVD's into, two small metal carry cases to make it much easier to transport and store.
