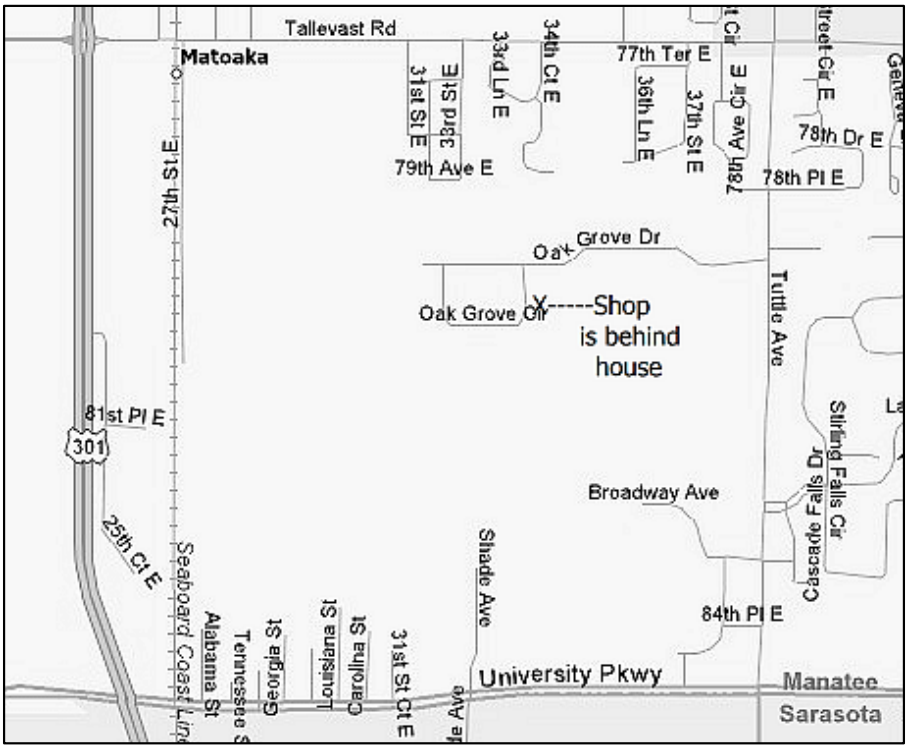
This club is an organization of men and women who are devoted to increasing their skills in woodworking. If you have a desire to meet and talk to other woodworkers with experience at all levels, you are invited to attend these meetings. You will experience the common bond of friendship, the sharing of ideas and gain knowledge. These are precious tools that never wear out. We encourage you to experience the pleasure and satisfaction of adding these tools to your present skills. Meetings generally include a program that is of interest to all, including a guest speaker as well as a show and tell segment of our member's projects. Announcements of special interest to our hobby are welcomed and encouraged.


The monthly meeting is held at 7948 Oak Grove Circle, Sarasota, FL
(Off Tuttle Ave. between University Parkway and Tallevast Road)
