Examples of categories:

SALAD – Lettuce/Romaine leaf salad (don't forget the dressing), Broccoli salad, carrot salad, watergate salad, fruit salad, pasta salad.....you get the idea.

VEGGIES – Green Beans, Peas, Potato's (OK that's not a veggie), bean casserole, Oh come on...grown in the ground, the stuff we didn't like as a kid....

DESSERT – My favorite.....and if you can't figure this one out, then we're glad you know something about woodworking and not being a Pastry Chef!
