

Jan 10th Main Meeting

At Robert's Hardwoods

Our host welcomed us to the new location for our monthly meetings. He discussed what Roberts Lumber is all about and what woods we may find within their doors. They were happy to share their facility with us (as long as we don't turn any of their power switches on)

Welcome to our Guests

The five guests tonight were from left Jim Curtis, Tom Lynch, Wayne Welch, Bob Walker and Jack DeGraw.
