Letter from the President

Sorry I missed the July meeting, but rumor has it Bob Eslinger did a bang up job, and the abrasive demonstration turned out to be a real big give away.

Arlington Cemetery was a very moving experience, our government really does a great job remembering our brave troops. If you are interested I have a 17 minute video of the entire ceremony, just ask to see it.

The Woodcraft convention was great and I'd like to talk more about it at the meeting. This month has been a difficult one for finding a presentation, so if you all could indulge me, we could spend more time on our show and tell, going onto detail on the individual techniques need to make out projects.

I would also like to have an open forum, and have the membership make suggestions for future presentations. These suggestions could be requests for specific topics, volunteers willing to give presentations, or willing to find presenters for the club.

NEWSBREAK.... WITH ANY LUCK WOODCRAFT SARASOTA SHOULD BE OPENING IN AUGUST. LET ME HEAR YOUR VIEWS ON CHANGING OUR MEETING PLACE TO THE WOODCRAFT STORE. IT WILL BE LOCATED ON THE CORNER OF BEE RIDGE AND MCKINTOSH IN SARASOTA. IF YOUR IN THE AREA STOP BY, WERE NOT OPEN BUT WORK IS PROGRESSING.
