President's Message

Hi Fellow woodworking club Members.

Our club has had two great meetings at the WOODCRAFT STORE, a regular meet and a turners meet. I think we have found a home. The owner Ken Dibner and the manager Kim Jones welcomed us and I for one feel most welcomed. The fact that there are chairs, the building is air conditioned, and we can shop on meeting nights sure does help.

I am looking forward to this months presentation on boat building, and also the November auction. The auction is a great time to invite future members, they may need the articles at the auction.

We are in the process of finding a place for our Christmas party, checking churches halls, etc. Any suggestions would be greatly appreciated.

The 2009 Florida State Fair rules and entry forms are now available. The website WWW.FLORIDASTATEFAIR.COM is is Entry form deadline is December 12, 2008. For those without Internet access you can contact the Family Living Dept. at 813-627-4216.

Looking forward to seeing everyone at the October meeting. KEEP MAKING GOOD SAWDUST. Your President

John Slezak
