

**WoodCraft  
welcomes  
Florida West Coast  
Woodworkers Club,  
Inc.**

This is the new Woodcraft Store at 4456 Bee Ridge Road in Sarasota. Our meeting, as well as the turner's meet, takes place in this great classroom in the back of the store. President John Slezak introduced the store manager (btm Rt.) Kim Jones to the club members. This is a view of the interior which has everything that any woodworker could want including a great selection of hard woods. We had three guests tonight who are, from left, Bill Malvers, Sam Everts and Berk Carico. Berk is a returning past member of our club.
